SAVE THE BEARS

AGE: 5 to 11

NUMBER OF PEOPLE: 1+

SPACE NEEDED: Dining Room or Garden

EQUIPMENT NEEDED: Soft toys or bottles and rolled up socks

HOW TO PLAY:

Set up the soft toys, the ‘bears’’, on a table. From 3+ metres away, using rolled up socks, try to knock over the toys. You save a 'bear' when you hit it, go and collect it.

You can make it a competition by taking it in turns to throw. Most bears saved wins.
