

Online Safety

Online can be fun as long as you stay safe.

Never go to meet someone you've been talking to online.

Let an adult know if something goes wrong.

Information is personal don't give yours away.

Never deal with it alone.

Everybody wants you to be safe.

Stay safe online.

Always go online with parental guidance.

Forget about messages if you don't know who they are from.

Every time you go online follow these rules

To make sure you stay safe and remember,

You should never be a bully off or online.
