### Hot Dinners

From Monday Mrs Andrew will once again be cooking hot meals for the children at lunchtime. The menu has had to be simplified so there will be one choice of main meal each day. Jacket potatoes or a packed lunch with choice of filling will also be available daily.

There will be staggered sittings to ensure social distancing between the class bubbles is maintained and extra cleaning in the dining hall between sittings.

Thank you for all the wonderful pictures celebrating our restarting hot dinners. Look out for pictures on our website coming soon.

### Emails from School

Please ensure that emails from school are identified as 'safe senders', or 'never block sender', as sometimes they could end up in a junk folder and maybe an important communication will be missed.

### Midday Supervisor Vacancy

We still have a vacancy for a Midday Supervisor. If you or someone you know would be interested please do get in touch with the office. The attached flyer gives some more information.

### Awareness Days

There are a variety of awareness days next week in which you may wish to partake. Keep an eye on Class Dojo for activities going on at school.

**International Day of Peace - Monday 21<sup>st</sup>:** this as a day devoted to strengthening the ideals of peace, both within and among all nations and peoples. It reminds us to believe in something bigger than ourselves and demonstrates that small actions can make big impacts. A minute of silence, a vigil, Yoga, a poetry reading, these small acts done in community and dedicated to a more peaceful world could change the conversation.

**World Car-Free Day - Tuesday 22<sup>nd</sup>:** you could walk, skip, jog, scoot or cycle to school.

**National Fitness Day - Wednesday 23<sup>rd</sup>:** We shall be incorporating some fun activities into our KS2 PE that day. Maybe you could do something after school to get the whole family active.

### **Recycle Week 2020 - 21-27 Sept 2020**

Theme: 'Thanking the nation: '  
Together - We Recycle.'

Now in its 17th year, Recycle Week is a celebration of recycling, organised by WRAP. This year, the theme will thank the nation for

continuing to recycle despite the challenges that COVID-19 has presented, under the banner 'Together - We Recycle'. It will recognise the sacrifices that key workers and citizens have made to keep recycling going and create positive change in the world around us. Our recycling and waste key workers have heroically carried on collecting while the world slowed down around them.

The [recycle now website](https://www.recyclenow.com/recycling-knowledge/recycle-week-campaign) <https://www.recyclenow.com/recycling-knowledge/recycle-week-campaign> gives lots of ideas and knowledge about how and where to recycle.

### **European Day of Languages - Saturday 26<sup>th</sup>**

This day aims to promote the rich linguistic diversity of Europe and raise awareness of the importance of lifelong language learning for everyone. A booklet is attached with some fun activities for children - *The Secret Agents Handbook of Language Challenges.*
