4th January 2021

Dear Parents and Carers

Following the announcement from the Government at 8pm this evening, we wish to update you on the plans for tomorrow (Tuesday 5th January).

As the school closure is effective from midnight tonight we will remain closed to ALL pupils for tomorrow only.

This will enable teachers and staff to make the final preparations for on-line learning for those children who are not able to attend, and also for us to prepare for those children of Key Workers who will return on Wednesday.

Key worker guidelines remain the same as during the initial lockdown period last Spring. Therefore those parents who feel that their children are eligible to return under the Key Worker status, and can't remain at home, should contact school by email to: office@waterhouses.staffs.sch.uk. In order for learning to be as effective as possible we will require that these children attend school every day as they will be following the same learning as those children who are learning from home.

We will shortly be contacting parents of Nursery children via Class Dojo re tomorrow.

We thank you for your support. We appreciate it is incredibly difficult when school is closed to the majority of children at such short notice.

Thank you.

David Wood
