Teachers will ensure that online learning is accessible to support pupils with SEND.

Learning Plans will be adapted to ensure that the curriculum remains fully accessible and inclusive via remote learning.

The school will review the resources pupils have access to and adapt learning to account for all pupils needs by using a range of different formats, e.g. providing work on PDFs which can easily be printed from a mobile device.

(In exceptional circumstances) work packs will be made available for pupils who do not have access to a printer – these packs can be collected from school.

Teaching staff will liaise with the SENCO and other relevant members of staff to ensure all pupils remain fully supported for the duration of the remote learning period.

The SENCO will arrange additional support for pupils with SEND which will be unique to the individual's needs, school will clarify this for their own setting. SEND TA's will support in this.

Any issues with remote learning resources will be reported as soon as possible to the relevant member of staff.

Pupils will be required to use their own or family-owned equipment to access remote learning resources, unless the school agrees to provide or loan equipment, e.g. laptops.

### **Remote Learning During the Coronavirus (COVID-19) Pandemic**

Within the ever-changing circumstances we are currently living through, we must be prepared for local restrictions. If local restrictions apply, the school will implement provision for remote learning to ensure pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

#### 2. Legal framework

2.1 This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:

- DfE (2020) 'Safeguarding and remote education during coronavirus (COVID-19)'
- DfE (2020) 'Adapting teaching practice for remote education' □ DfE (2020) 'Guidance for full opening: schools'
- DfE (2020) 'Get help with technology during coronavirus (COVID-19)'
- DfE (2020) 'Get laptops and tablets for children who cannot attend school due to coronavirus (COVID-19)'

### 3. Contingency planning

- 3.1 The school will work closely with the Trust to ensure the premises are COVID-secure, and will complete all necessary risk assessments – results of the opening risk assessment will be published on the school's website.
- 3.2 The school will work closely with the local health protection team when local restrictions apply and implement the provisions set within their contingency plan.
- 3.3 The school will communicate its contingency plans for local restrictions with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- 3.4 If local restrictions are **not** applied, but a single class or 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group.
- 3.5 The level of remote learning provision required will be based on the government's tiers of local restrictions, or if there is a national lockdown announced. The school will then follow the current Government guidance and rules. Where there are no local restrictions in place, the school will continue to remain fully open to all.

### 4. Teaching and learning

- 4.1 All pupils will have access to high-quality education when remote working.
- 4.2 The school will use a range of teaching methods to cater for all different learning styles.

4.3 When teaching pupils who are working remotely, teachers will:

- Set assignments so that pupils have meaningful and ambitious work each day.
  - Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
  - Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
  - Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
  - Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
  - Plan a programme that is of a length that adheres to the governments guidelines and.
- 4.4 All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.
- 4.5 In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the headteacher will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.
- 4.6 Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.
- 4.7 The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme.
- 4.8 Under the scheme, the school can order laptops, tablets and 4G wireless routers to support the following groups of pupils if they do not have access to a digital device or the internet through other means:

- Pupils in Years 3 to 11
- Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice
- Children in all year groups who are unable to access remote education whilst attending school on a hospital site

4.9 Before distributing devices, the school will ensure:

- The devices are set up to access remote education.
- Appropriate safeguarding controls and support are in place to help pupils and their families use the devices safely.

4.10 Once devices are ready for collection, the school will either arrange for them to be collected by families from school or delivered to pupils' homes, ensuring infection control measures are adhered to as part of this process.

## 5. Returning to school

- 5.1 The headteacher will work with the MAT and Local Health Teams to ensure pupils only return to school when it is safe for them to do so.
