Science

Plants

Children will begin to learn about how plants grow and what they need to survive.

Music This unit uses fairytales

to introduce children to the concept of sound patterns (rhythms). They explore clapping along to repeated words and phrases, creating rhythmic patterns to tell a familiar fairytale.

PE/Swimming

Weekly swimming
Athletics

Homework

Reading: Your child is required to regularly read with an adult.

Spellings: These are usually given out on Monday. Children should practise regularly throughout the week.

Half Term Project:

Pick 2 countries and compare their weathers and climate. Look at the different houses, what they wear etc countries need to be different climates. I.e hot, cold, temperate.

Can you create your own moving monsters? How could you get it to work?

Can you send a postcard to yourself? Or a family member? Tell them about your day/week.

Create a map of the world and label the continents and seas.

Design and Technology

Mechanisms

Making moving monsters.

'Let your light shine!'
